August 24, 2021

Fayette County Community

Subject: Mask Recommendation

Fayette County Residents including Schools, Government Agencies, and Local Businesses,

The Fayette County Health Department (FCHD) was notified by the Indiana State Department of Health (ISDH) on Monday, August 23, 2021 our county is now ORANGE in this week's color advisory level. In compliance with ISDH recommendations, the FCHD Strongly recommends for universal masking while indoors.

Sincerely,

A handwritten signature in black ink that reads "Wayne B. White, MD". The signature is fluid and cursive.

Wayne B. White, MD

Fayette County Health Officer
